## REPORT OF THE GRAFTON VOLUNTEER FIRE DEPT.

I wish to take this opportunity to express my thanks to everyone who helped to make our fund raising drive such a big success. We now have a new piece of equipment that is dependable.

Inflation has bothered us as well as everyone so our truck has cost more than at first anticipated. We are getting a loan from the bank to complete payment for the truck, and obtain a few necessary extras. We hope this loan may be paid off by fund raising activities during 1972.

I would like to thank all committee members for a job well done, and I especially want to thank Mrs. Deborah Hazelton for all the typing and work reproducing the letter we sent out. Also, many thanks to my wife Ruth, for her moral support, and work painting the sign.

I am very happy to see that a Ladies Auxiliary to our Fire Department has been formed. They were a big help this year in raising money for our new truck. I know they will be a big help in our future.

We very much appreciate the donation of time and materials by members of the Department and also the following: William Pratt, Lieut. Robert Hardiman, Fire Fighter Edward Arsenault Jr., Joseph Fremault, Mr. and Mrs. Clinton Dwelly.

We hope everyone will continue to support fire prevention measures .

STANLEY W. PHILLIPS,

Fire Chief

## REPORT OF THE FOREST FIRE WARDEN and DISTRICT CHIEF

### LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the West Coast with their dry seasons and strong dry hot winds, but 25 years ago this Fall is the anniversary of a disaster that devastated large areas of northern New England, leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947, and nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fires at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving- discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *Most Important* — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 — was a favorable year for the control of fires. There were too many fire starts in some towns.

We thank those who remembered and ask others to heed  
Smokey's message.

Number of fires reported and acres burned—1971 season:

STATE	463 fires	160 acres
DISTRICT	26 fires	10.8 acres
TOWN	1 fire	Spot

## MASCOMA AREA HEALTH COUNCIL

The Mascoma Area Health Council, ending its second full year of service to Canaan, Enfield, Grafton and Orange, reports that during the calendar year 1971 its visiting nurses made 1,353 calls at the homes of area residents for nursing service and health promotion. In addition, the Council provided free of charge for all pre-schoolers of the Towns 3 immunization clinics, 1 clinic for the testing of hearing and vision, and 5 well child conference clinics (at which each child received a full physical examination by a doctor or pediatrician). Defects and deficiencies discovered in the course of these clinics were discussed with parents and referred to further testing and treatment. The Council is at present maintaining a schedule of one free well child conference clinic each month, with a goal of having each child examined regularly from birth to school age.

The Council, founded in 1969, employs two nurses, who share the work load to give the area the equivalent of one full time nurse, maintaining a public health program and home nursing service. Mrs. Gertrude Clark, R.N., of Grafton, and Mrs. Toni Sadowsky, R.N., of West Lebanon, are the present nurses. Mrs. Clark has been with the Council since early in its history. For the first two years of its existence the Council was aided by a Grant from the State of New Hampshire to cover the salary of one of the two nurses. The four Towns served have contributed on the basis of population. It appears that the State Grant will not be available for the coming year.

The Council maintains its office at Mascoma Valley Regional High School, with its own telephone (632-7234). Its services are available to all, regardless of ability to pay. It is dependent on, and grateful to, the Methodist Churches of Canaan and Enfield and St. Mary's Catholic Church of Enfield, which have provided space for its clinics, and to Mascoma Valley Regional High School for its office space there. A pamphlet describing the Council and its work and services is available on request.
